

## TREE CALLIPER

- made of silver anodised aluminium profile, with a double-sided combined graduation
- wear resistant

Prod. nr.	Prod. code	EAN code	Length (cm)	Packing
1331507	GM60	3838853201643	60	1
1331508	GM80	3838853201391	80	1
1331517	GM100	3838853407694	100	1
1331526	GM120	3838853418638	120	1

## MARKING METER

- length: 100cm
- made of silver anodized aluminium profile 30x15mm
- with double-sided cm scale, wear resistant.
- each decimeter on scale is signed

Prod. nr.	Prod. code	EAN code	Length (cm)	Packing
1331522	MZG100	3838853422659	100	1

## VERNIER CALLIPER

- made of stainless steel, satin-chromed graduation
- for outside and inside measurements, and depth measurements
- measuring range: 150 mm, minimal reading: 0.02 mm
- jaw length: 40 mm

Prod. nr.	Prod. code	EAN code	Packing
1351003	OPA	3838853217453	1

## PLUMB, ZINC PLATED

- made of quality steel, weight 170 g, with 4 m long string
- models:
  - HSC - weight 170 g, with 4 m long string - with plate
  - HSC1 - weight 300 g, with 15 m long string - without plate
  - HSC2 - weight 500 g, with 15 m long string - without plate

Prod. nr.	Prod. code	EAN code	Packing
1311122	HSC	3838853217811	1
1311123	HSC1	3838853415125	1
1311124	HSC2	3838853415132	1

## PLUMB, POWDER COATED

- made of quality alloy Zn Al 4, weight 130 g with 5 m long nylon string
- yellow RAL 1021 powder coated

Prod. nr.	Prod. code	EAN code	Packing
1311121	HSB	3838853200288	1

## DIGITAL CALLIPER

- made of stainless steel, satin-chromed graduation
- with big LCD display, 11 mm, showing the measured value in mm or inches
- according to DIN 862
- measuring range: 150 mm
- minimal reading: 0.01 mm
- jaw length: 40 mm

Prod. nr.	Prod. code	EAN code	Packing
1351402	OPD	3838853402460	1

## DIAL CALLIPER

- made of stainless steel, satin-chromed graduation
- for outside and inside measurements, and depth measurements
- according to DIN 862
- measuring range: 150 mm, minimal reading: 0.02 mm
- jaw length: 40 mm

Prod. nr.	Prod. code	EAN code	Packing
1351404	OPU	3838853406222	1

## DIAL GAUGE

- clock: 58 mm dia, clamp: 8 mm dia
- integrated adjustable tolerance marks
- scale: 0 – 100
- minimal reading: 0.01 mm

Prod. nr.	Prod. code	EAN code	Packing
1351405	OMU	3838853406239	1

## PROTRACTOR

- satin-chromed graduation allows measuring of angles from 0° to 180°
- fixing with locking screw

Prod. nr.	Prod. code	EAN code	Length (mm)	Packing
1321340	OK120	3838853406536	120	1
1321341	OK150	3838853406543	150	1
1321342	OK200	3838853406550	200	1

## EXTERNAL MICROMETER

- made of quality casting, measuring surface made of hardened alloy
- spindle 6.5 mm dia., with locking lever and ratchet
- according to DIN 863
- measuring range: 0 – 25 mm
- minimal reading: 0.01 mm

Prod. nr.	Prod. code	EAN code	Packing
1351406	OMZ	3838853406246	1

## FEELER GAUGES

- made of quality spring steel. 20 blades, thickness of 0.05 to 1 mm in raster of 0.05 mm in a chromed steel case
- blade length: 10 cm

Prod. nr.	Prod. code	EAN code	Packing
1351020	OML	3838853201759	1

## MEASURING WHEEL, STANDARD

- measuring counter in cm has a reset lever, integrated parking handle and a brake for simple application
- measuring range: 9.999,99 m
- tolerance: under 0.05 %
- wheel diameter: 318.3 mm = 1 m girth
- weight: 3.9 kg, max. height: 109 cm

Prod. nr.	Prod. code	EAN code	Packing
1342112	OMK1	3838853215077	1

## MEASURING WHEEL, LIGHT

- made of high-quality plastics, very light, the wheel allows measuring forwards and backwards
- integrated parking handle and a brake for simple application
- measuring range: 99.999,99 m
- wheel diameter: 318.3 mm = 1 m girth
- weight: 2.2 kg
- max. height: 99 cm

Prod. nr.	Prod. code	EAN code	Packing
1342110	OMK2	3838853211697	1
